National Night Out

On August 4th, from 6:00 pm to 9:00 pm, the Northwest Regional Police Department hosted a National Night Out event at the West Donegal Township Municipal property. The weather was great and the event was very well attended. The National Night Out event kicked off with the Life Lion helicopter landing and ended with an awesome fireworks display. There were plenty of things for everyone who attended to see and participate in.

The Northwest Regional Police Department would like thank the following individuals and businesses for their monetary donations towards our National Night Out event. Their generous donations helped pay for the fireworks display and items given out to the children who attended the event.
