SUBJECT: Sub-station open DATE: July 16, 2014

The Northwest Regional Police Department and the Northwest Regional Police Commission announce the opening of the West Donegal Township municipal building police sub-station. The police sub-station has been a work in progress for several months in a continued attempt to have an officer's presence in West Donegal Township. The new sub-station houses most items officers need to perform their duties. Officers will be at the sub-station periodically and will be able to meet citizens at the sub-station by appointment. The primary operations for the Northwest Regional Police Department will continue from 155 Merts Drive Elizabethtown (717)367-8481.
