On 03 December 2015, at 1:29 am, Officer Seth Arnold and Officer Kris Hart of the Northwest Regional Police Department responded to a report of a vehicle accident involving two vehicles on, Sr 283 west bound by the Elizabethtown Road overpass. Officers arrived to find two vehicles involved with one of the vehicles coming to rest on the driver's side. Officers made contact with the operator of a silver Chevrolet Cruz identified as, Dipum Patel (24 yoa) from Etters. Patel stated he was traveling west bound on Sr 283 in the left lane. Patel stated he came upon a Chevrolet Malibu driven by, Mark Edwards (31 yoa) of Marysville, which was also traveling in the left lane. Patel told officers the driver of the Malibu applied its brakes and he could not avoid striking the vehicle. After the Malibu was struck Edwards lost control of the vehicle traveling off the roadway. The Malibu traveled off the right side of the highway going down an embankment and struck a tree. The Malibu eventually came to rest on the driver's side. Edwards was transported to Hershey Medical Center to have his injuries evaluated. Patel was taken into custody for suspicion of driving under the influence.
